Mr. Marvin Sampson, Chairman
Town of Black Creek
Route 3, Box 71
Black Creek, WI 54106

Dear Mr. Sampson:

Thank you for submitting a copy of your recently adopted town building ordinance. I have reviewed the ordinance for conformance to the state Uniform Dwelling Code (UDC) requirements.

The ordinance is acceptable to the department under s. IHR 20.06. I understand that you have retained a state-certified building inspector, Mr. Jim Schultz, to conduct inspections for the town. Please commence with enforcement of the UDC for new home construction.

I have enclosed a copy of the current Uniform Dwelling Code Commentary to help you and your administration of the code. The commentary has information on permit and inspection procedures and plan review requirements. It also has background information on the code requirements themselves. If you or your inspector have any questions on the code or its administration, please give me a call.

Sincerely,

Gerald P. Marx
